Week 1 Class Follow-Up Task List

Agentic Coding | Session chat issues | 2026-07-21

Pulled from Week 1 Zoom chat. Priority: mark attendance for students who could not use https://tktechventure.com/agentic-coding/sign-in, then resolve D2L access. D2L helpdesk: Helpdesk@Templejc.edu | 254-298-8450. Accounts target: tomorrow by noon (per DeDe).

1. Class sign-in / attendance (manual check-in needed)

[ ] Lisa Laviolette

Email: laviolettel862@stu.templejc.edu (signup: zypherstone@gmail.com)

Issue: Trouble with class attendance sign-in; Daniel suggested opening in a separate browser.

Action: Manually log attendance. Confirm which email is the account of record.

[ ] Matthew Johnson

Email: lloydmarley@gmail.com

Issue: Same attendance issue; can log into website fine, but attendance sign-in fails.

Action: Manually log attendance for lloydmarley@gmail.com.

[ ] (Zoom user)

Email: tresprincipal@gmail.com

Issue: Able to log into D2L but unable to sign in on class sign-in. Tried personal and TC addresses.

Action: Manually log attendance. Verify account email on tktechventure.com.

[ ] Stephanie

Email: stephanie.m.richardson1101@gmail.com

Issue: Both emails will not allow attendance sign-in (DM to Tim).

Action: Manually log attendance. Check account exists / correct email.

[ ] Tiaundra

Email: tiaundrambrown1@gmail.com

Issue: Sent email via DM (context: attendance / account).

Action: Manually log attendance if not already recorded.

[ ] Troy

Email: twolff0@gmail.com

Issue: Posted email during attendance/sign-in troubleshooting window.

Action: Manually log attendance if not already recorded.

[ ] Julio Lopez

Email: lopezj896@stu.templejc.edu

Issue: Posted email after request for students unable to log attendance.

Action: Manually log attendance.

[ ] Hernan

Email: torresh891@stu.templejc.edu

Issue: Posted email after request for students unable to log attendance.

Action: Manually log attendance.

2. D2L access issues

[ ] Josh

Email: joshatanovich@gmail.com

Issue: Never received D2L portal login test link; no access to D2L. Asked for portal URL.

Action: Confirm enrollment/account assignment. Portal: https://templejc.desire2learn.com/

[ ] Brendan Henske

Email: Brendan.henske@gmail.com

Issue: Unable to login to D2L. Temple account linked to this Gmail.

Action: IT may need to add/activate account. Username = Temple email per IT.

[ ] Keena Thomas

Email: keenathomas84@yahoo.com

Issue: Does not have access to D2L.

Action: Confirm enrollment and send/activate login. Follow up by noon tomorrow.

[ ] Dell

Email: (email not provided in chat)

Issue: Does not have access to D2L. DeDe asked for signup email / confirmation email status.

Action: Get signup email from Dell, then activate D2L access.

---

3. Other follow-ups from chat

[ ] Aaron

Issue: Asked whether syllabus/content modules should already be visible in D2L; later asked Tim to send syllabus.

Action: Confirm Content modules are published; send/share syllabus if needed.

[ ] Lisa Laviolette

Issue: Asked where to upload screenshots; also asked which modules before Wednesday (incl. Docker).

Action: Point to Content tab / assignment dropbox; clarify pre-Wednesday module list.

[ ] Josh

Email: joshatanovich@gmail.com

Issue: At Cyber Shield this week as staff; gov laptop restrictions; will start on personal system this weekend.

Action: Note delayed start; ensure account ready when he returns.

[ ] Julian (Hawaii)

Issue: Asked if meetings are recorded or must attend live (stationed in Hawaii).

Action: Confirm recording availability / attendance policy for remote time zones.

---
